THIS IS NOT A CIRCULAR

Please ask for: Customer Liaison Officer

Our Ref: PCC/CLO/EyrescroftFeb 2021

Date: 10 February 2021

Dear Sir/Madam,

Re: **UPGRADE OF STREET LIGHT CABLING - EYRESCROFT, BRETTON.**

WEEK COMMENCING MONDAY 15TH FEBRUARY 2021 FOR UP TO 10 WEEKS.

I am writing to advise that from the week commencing Monday 15th February 2021 installation of new cabling and streetlight ducting will be undertaken throughout Eyrescroft.

The works are planned for a duration of up to ten weeks. Please see the plan overleaf with a guide to the phasing areas of the works.

During the improvement works footpath diversions and restrictions to parking areas may be required in order to carry out the works. Operatives will be on site during the works to assist with access arrangements.

If you have any questions in relation to the proposed works, please contact the Customer Liaison Officer, Anna Jurs via the Peterborough Direct Service on (01733) 747474 or by e-mail at: peterborough.schemes@skanska.co.uk

Should you wish to report any incidents on the site outside normal working hours, please telephone: 0845 604 3127 and follow the instructions to access the out of hours service.

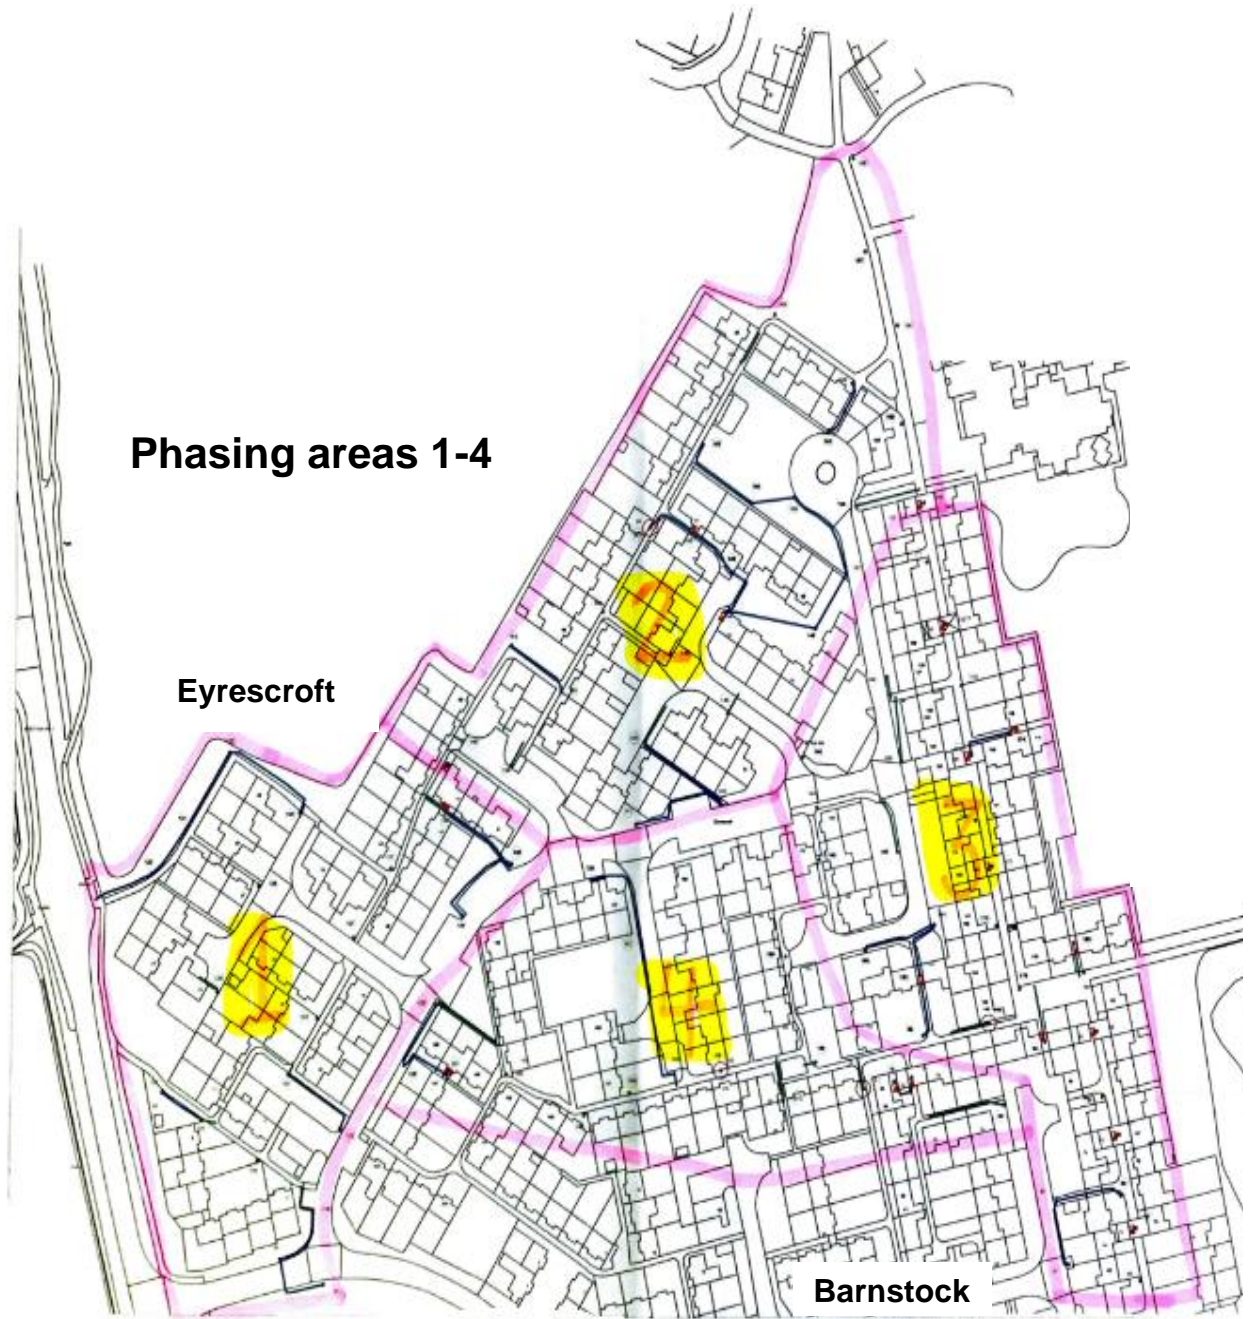

During and after the project your feedback would be extremely valuable to us. To provide feedback please scan this code to access a short feedback form.

Yours faithfully,

Anna Jurs
